

At Home For Balance we are helping reduce the spread of Coronavirus

We are using Clorox and wipes to sanitize and disinfectant surfaces and commonly used areas around the office several times daily.

We are following CDC guidelines to:

- *Wash hands frequently.
- *Avoid shaking hands or hugging.
- *Make sure there is hand sanitizer is in the lobby and offices.

Please reschedule your session and stay home if you are experiencing any of these symptoms:

- *Fever
- *Tiredness
- *Runny Nose
- *Sore Throat

Please wait outside or in your car until your clinician calls or texts you to let you know they are ready for you
